

Complete this form to transfer your life policy for death, terminal illness and or/total, permanent disablement cover and/or income protection insurance cover to Prime Super. You must complete a separate form for each transfer you wish to make.

Please read this information before you complete the form

You can apply to transfer any Death only (including terminal illness), Death & Total and Permanent Disablement (TPD) and/or Income Protection insurance cover you have outside of Prime Super if you:

- Have an insurance policy (life policy*) inside or outside of superannuation
- Are under age 60 at the date your application to transfer your insurance is received by Prime Super. If you are Prime Super member aged between 55 and 60, you can only transfer your insurance if your occupation category for insurance is White Collar or Professional.

To transfer your insurance please:

- Complete all sections of the insurance transfer form, including providing all the required details and acknowledging the Duty to take reasonable care section of this application form, and
- Return the completed insurance transfer form along with a copy of an up-to-date statement, certificate of currency or other evidence of cover held. This statement must be received by Prime Super within 6 months from the date of issue.

Please note: Any exclusions, restrictions, premium loadings or individual conditions which applied under your previous policy and under your current cover under this policy will continue to apply to your transferred cover amount with Prime Super (unless the insurer specifies otherwise). At the date the transferred cover commences with Prime Super you must have sufficient money in your member account to pay the premium for the transferred cover under this policy. If there are insufficient funds your transferred cover is void. Please note: The transfer of this insurance will be verified by the insurer.

To consolidate any existing account balance from another Fund to Prime Super, you can complete the Rollover form available at primesuper.com.au/member/forms. You will need to complete a Rollover form for each Fund you are considering consolidating into Prime Super.

Please use pen and BLOCK letters to complete this form. Any boxes should be marked with 'X'. Please make sure you have completed all relevant sections.

* A life policy means a "life policy" under the *Life Insurance Act 1995* (Cth) providing death and/or total and permanent disablement cover and/or income protection cover.

1 Duty to take reasonable care

If you apply for life insurance, you will be treated as if you are applying for cover under an individual consumer insurance contract. The Insurer will conduct a process called underwriting. It's how it decides whether it can cover you, and if so on what terms and at what cost.

As part of underwriting, the Insurer will ask questions it needs to know the answers to. These will be about your personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance.

The information you provide in response to those questions will be vital to the Insurer's decision. As such, when applying for life insurance you have a legal duty to take reasonable care not to make a misrepresentation to the Insurer. A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth. This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your duty

If you do not meet your legal duty, this can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), the amount of cover varied or its terms may be changed. This may also result in a claim being declined or a benefit being reduced. Whether the Insurer can exercise one of these remedies depends on a number of factors, including:

- whether reasonable care was taken not to make a misrepresentation. This depends on all of the relevant circumstances
- what the Insurer would have done if the duty had been met – for example, whether it would have offered cover, and if so, on what terms
- whether the misrepresentation was fraudulent; and
- in some cases, how long it has been since the cover started.

Before any of these remedies are exercised, the Insurer will explain the reasons for its decision, how to respond and provide further information, and what you can do if you disagree.

Guidance for answering questions

You are responsible for the information provided to the Insurer.

When answering questions, please:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond.
 - > Answer every question.
 - > Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it.

1 Your Duty to take reasonable care (continued)

- Review your application carefully before it is submitted. If someone else helped prepare your application (for example, your adviser), please check every answer (and if necessary, make any corrections) before the application is submitted.

There may be circumstances where the Insurer later investigates whether the information given to it was true. For example, it may do this when a claim is made.

Changes before your cover starts

Before your cover starts, the Insurer may ask you whether the information that has been given as part of your application for insurance remains accurate or whether there has been a change to any of your circumstances.

As any changes might require further assessment or investigation, it could save time if you let us or the Insurer know about any changes when they happen.

If you need help

It's important that you understand your obligations and the questions asked. Please contact us for help if you have difficulty understanding the process of obtaining insurance or answering any questions.

5 Insurance cover transfer details

In order for Prime Super and the Insurer to consider your application.

I confirm that my current level and type of cover under the previous fund or individual insurer are as follows:

Death only (including terminal illness)	\$	<input type="text"/>
Death & TPD	\$	<input type="text"/>

If my request to transfer my insurance is accepted I would like all of my Death only or Death & TPD cover with Prime Super to be:

Fixed cover **OR** Unitised cover

Please note: Fixed cover will be the number of multiples of \$1,000 that is nearest to the amount of cover which you have with your current fund (rounded up). Unitised cover will be the number of whole units that is nearest to the amount of cover which you have with your current fund (rounded up). Your transferred cover amount, together with any cover that you currently have with Prime Super (where evidence of health was not required) cannot exceed \$1,500,000.

Any cover received in this application will be in addition to your existing cover and any existing cover will be matched to your election. This means if you're applying for fixed cover any existing unitised cover will also be converted to fixed cover, or if you're applying for unitised cover any existing fixed cover will also be converted to unitised cover.

Income protection (per month) \$	<input type="text"/>	Waiting period (days)	<input type="text"/>
----------------------------------	----------------------	-----------------------	----------------------

Note: If your transfer application is accepted you will be given an amount of monthly cover which is the closest to your current monthly cover under your former fund. **Your transferred cover amount will replace any (if applicable) Income Protection cover you have with Prime Super and cannot exceed \$10,000 per month.**

The waiting period for Prime Super is 30, 60 or 90 days. The waiting period from your previous fund will be matched to the same or the next longest waiting period available (e.g if you had a 21 day waiting period with your previous fund you will receive a 30 day waiting period when you transfer to Prime Super). **Prime Super only offers a 2 year benefit period. If your current benefit payment period is longer than 2 years (e.g. 5 years, or To Age 65), and if your transfer is accepted we can only provide you with a 2 year benefit payment period.**

6 Personal statement

You must answer all of the questions in this section.

- | | | |
|---|-----|----|
| 1. Are you currently, due to sickness or injury, restricted or unable to carry out all the duties of your usual occupation for at least 35 hours per week, even if you are not employed to work 35 hours per week? | Yes | No |
| 2. Have you been diagnosed with, or do you suffer from sickness or injury that may cause permanent inability to work or which reduces or is likely to reduce your life expectancy to less than 24 months? | Yes | No |
| 3. Have you ever made a claim or are you currently intending to make a claim for sickness or injury from the following:

– life insurance policies | Yes | No |
| 4. Have you been absent from your usual occupation (employed or unemployed) for more than 5 consecutive days in the last 24 months due to sickness or injury? | Yes | No |

If you answered 'Yes' to any parts of questions 1-4 (inclusive) above you will not meet the transfer eligibility criteria. You will need to complete an *Insurance application/variation* form and be subject to full underwriting for your request to be considered. **Note:** this will not affect any default cover you are entitled to, or may have with Prime Super.

- | | | |
|---|-----|----|
| 5. Have you ever had any application for Life, Terminal Illness & Total and Permanent Disablement or Income Protection cover, declined, or offered to you on non-standard terms (e.g. premium loading and/or exclusion) whether accepted by you or not? | Yes | No |

If you have answered "Yes" to Question 5, you must attach a copy of the advice you received from the former fund or individual insurer advising you of the acceptance of that cover subject to these additional terms.
