

Use this form if you want to reinstate insurance cover.

Please read this information before you complete the form

You can use this form if your insurance cover has been cancelled due to inactivity or insufficient funds and you want to reinstate your death only or death and total and permanent disablement (TPD) insurance cover.

Re-instating your Death or Death & TPD insurance cover must be done within 60 days of the cancellation of your cover and you must have sufficient funds in your account to cover the ongoing insurance fees. You may still apply for cover after 60 days of your cover ceasing due to inactivity, or insufficient funds or where you have previously requested that your insurance be cancelled. However, this will be subject to a full assessment of the risk by our underwriters, including your current health status and occupational and hazardous pursuits.

The maximum cover you can receive is the cover you held prior to cancellation up to the default level of death only or death and TPD cover.

You cannot take up this option if you have previously requested the cancellation of your death only or death and total and permanent disability cover. You also cannot apply to reinstate your Income Protection cover if cover ceased due to insufficient account or due to an inactive account. For all T&Cs, please refer to our [Member Guide](#).

Note: you can not use this form to increase/decrease the amount of cover you currently hold. If you would like to increase/decrease your cover, please use the *Insurance application/variation form* at primesuper.com.au/member/forms.

Please use pen and BLOCK letters to complete the Application to increase insurance cover or Insurance reduction/cancellation/opt out form available at primesuper.com.au/member/forms. Any boxes should be marked with 'X'. Please make sure you have completed all relevant sections.
