Direct debit request service agreement

Why an agreement?

Through the Direct Debit Request (DDR) you are allowing us to debit amounts from your bank/financial institution account. The amount, how often and the date we will debit your account depends on what you instruct us to do.

If Prime Super wants to change this agreement

We will notify you at least 14 days before making any changes to this agreement.

If you want to change your direct debit or make an enquiry

Please contact our customer service staff if you wish to:

- delay or change your direct debit – you need to advise us at least ten days before the date we will debit your bank/financial institution account.
- cancel the DDR – you need to advise us at least three days before the date we will debit your bank/financial institution account.
- dispute a debit that has been made from your bank/financial institution account – Prime Super will respond to your dispute within five business days.

Weekends and public holidays

We will always try to debit your account on the date nominated by you, except when this falls on a weekend or a public holiday. In this case we will debit your account on the next business day.

Make sure you have enough money in your account

You should make sure that you always have enough cleared funds in your bank/financial institution account for us to debit your account. If there isn't enough money (that is, cleared funds) in your account, we will still make the debit. But if your bank/financial institution dishonours the debit we may pass on to you any dishonour fees and/or costs incurred by Prime Super.

Check that you give us your correct details

Before completing the Direct Debit Request, please check with your bank/financial institution that:

- your bank/financial institution account accepts direct debiting as some accounts don't; and
- the account number you give us is correct (refer to your bank/financial institution statement or contact your bank/financial institution if necessary).

Conditions of use

- To cancel or alter your direct debit, you must notify Prime Super in writing.
- There must be enough money in the account on each day you have nominated for a deduction to occur.
- If the deduction is dishonoured three times, this facility will cease immediately. A dishonour means that the deduction could not be made because there was not enough money in the nominated account.
 - > If Prime Super is advised of a dishonour and any part of the dishonoured amount has been paid out from your account, you will be liable to pay that amount to Prime Super.
 - > If Prime Super is advised of a dishonour after all your superannuation benefit is paid out, you are liable to repay the dishonoured amount to Prime Super.
